DISCOVERY

Man spends billions of dollars exploring space and discovering new worlds, but there is one discovery that evades him. It is the discovery of peace and happiness on his own planet!

True peace can only be found in Jesus Christ. This realisation does not come at once. We need *time*—*time* to consider His life and teaching, and *time* to think about the remarkable events surrounding His death.

It's the same when we buy something. We want *time* to look before we spend.

Our “Finding Out Course” is just that. It's an unhurried opportunity to discover more about Jesus (by post) in your own home.

No matter how much or how little you know about Jesus, this course will increase your appreciation of this amazing person in just seven studies— and they're free!
